Mano is a spy?

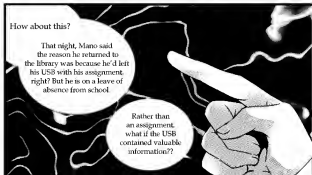

On what grounds do you make such accusation?

Then let me ask you this.

On what grounds do you believe it isn't him?

Just because he is your contractor?

How about this?

That night, Mano said the reason he returned to the library was because he'd left his USB with his assignment, right? But he is on a leave of absence from school.

Rather than an assignment, what if the USB contained valuable information??

How easily
humans betray,
for the sake of
their own gain.

Wow~ Look,
the man over there~
Seems like it's true that
the chairman has some
weird hobbies.

I'll move
to some place
quieter.

... Ack!!
Chief?!!

... I'm sorry.

...Carvel?

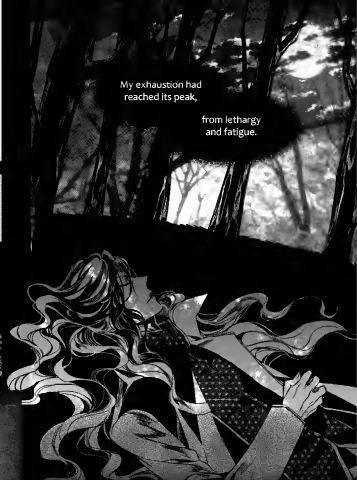

Are you
alright?

Mutants cannot sleep.

Be it day

or night...

My exhaustion had
reached its peak,

from lethargy
and fatigue.

I wish I
could fade
away into
an eternal
death...

TAP.

...
Um,

are you
alright?

Are you
hurt any-
where?

Hub,
he's so
cold!

...Oh no,
seems like
he's dead...

Well then,

P
U

Nice
finds!

I'll be taking
these clothes
from you.

The quality of the
material is good. I'll
sell them and make
clothes for the
children.

GR

AB

I'm not
dead yet.

Oh
my!

What a relief.

That was

our first
encounter.

our first
encounter.

Eve...

I won't
let you go
anymore.

...No.

Sir.

You haven't gone home yet?

Is the chairman still in?

If you have a message for him, you can leave it with me. You should go home and rest.

The truth is... I'd like to resign.

from acting as the chairman's double.

I won't let go

of you again.

definitely,
absolutely

... protect
you this time.

**FORGIVE
ME!!**

Buffed him in the
same place as
before

Ow~

...Muno?

It's even worse
without it, so
here it goes...

FID

GET

Why are
you dressed
like that?

Huff

Have you
come back to
your senses
now?

HAHA..

...Is that so.

BANG

Now, what will his decision be?

All that's left is to wait in anticipation.

Mr. Kim?

Why
are you so
late?

Mr.
Chairman

Please...
escape.

...
Hoon?

THUD

What's
wrong?

There's
blood...

Mr.
Chairman.

I'll gladly
receive the
company
from you
now.

After carefully
observing and
acting this role
for five years,

I'm known
as the chair-
man by
everyone
anyway...

Without
you, I
will then
become
the real
thing.

rather
than a child
like you, I am
more suitable as a
chairman, don't
you think?

...Kuh

Haha...

I DID IT!!

MONEY!!

THE
COMPANY!!

HAHAHAHAHA

ALL
BELONG TO
ME NOW!!!

Humans can
never change
their nature.

A policeman stood
on the streets you were
until I provided you with
an opportunity to work
and live comfortably.

SMK
and
you just had
to bite the hand
that feeds...

... How is
he still alive?

This
can't...

CRUSH
be...

Despite
possessing life,
intelligence, and
emotion,

humans
are never
satisfied.

and their greed
eventually leads
them to ruin.

... You
monster
...

Aah-

It
got dirty
again.

...You
didn't
need
to kill
him.

Carvel...
That's where
you flow.

You're
too soft.

No matter
how well we
treat them, to
humans,

we
are only
monsters.

You must not

trust
humans.

Do
not forget
that...

... We'll
head back
now.

You're like a son
to me. Drink this
while you work.

... How
foolish.

And I'd taken
quite a liking
to him too...
What a
shame.

It is all

in
the past
now.

Anyhow,
your injury looks
quite serious...

Shall I
give you
my
blood?

I can turn
you into one
of us, if
you'd like.

I'll have to
graciously
refuse.

If you do that,
you won't be
able to drink
my blood
anymore.

Just an
ambulance will
be fine.

The chairman is
currently attending
to some urgent
matters.

Therefore, he is unable
to send you off by
himself, to his regret

Well look at you
little princess

You're still miles
behind, if you want
to catch up to
my beauty!!

One more
thing,

he said that
those costumes
were gifts from him,
please don't take
them off until you
reach home.

I'm
watching
you.

He also added
that if you disobeyed,
he would prepare even
grander costumes
for you.

Look at that.

Is it for a
cosplay festival
or something?

Check
out their
costumes

Maybe there's
some sort of event
going on.

FLASH

FLASH

FLASH

FLASH

FLASH

... I'm so
embarrassed!!

I want to wear a hood

It's been
a while
since I felt
such over-
whelming
stares.

Come.

Mademoiselle.

If's better
to be
embarrassed
together
than on
your own
right?

Now shall
we, my
princess?

Pff

...
That's
true.

... Mano
being a spy,
huh.

His appearance is
close to a vampire,
and I can't read
his mind... I
must say, he is
well qualified
for the role.

Hm

I am
leaving
it to
you.

Since
I may
become
biased.

Does that mean
you're already leaning
towards one side?

Which is it?

The right...
or the wrong
one?

I mean...the lady in the portrait that used to be on the wall in your room.

The one that passed away in the fire...

Eve.

I pray

that

it is not her.

Greetings, readers. I have a lot to say this time, so please graciously read.
First of all, we are in serious need of *editors* for this series. You don't need
experience, my members will train you. Next, I want a *second English proofreader* to
assist the current one or an *excellent final-script quality-checker*; as I don't have much
free time say longer, I have become a rare-determining factor, and I determine to
change that. Trust me, I want to release it faster as well. If you are interested,
read our *Join Us* page on whatever-project.com
In addition, if you would kindly support us in buying the crow, that would be great,
the *Donate* button is on the top right of our web page.

Yours sincerely,
Tranquil Melancholy
